

Clean-Up Day

Saturday September 26, 2015

8:00 a.m. - 3:00 p.m. - CITY RESIDENTS ONLY

(verification of address required)

Public Works Facility, 345 Lively Street

Community Development and Public Works will be having a centralized neighborhood clean-up day

Residents of the City of Norcross can drop off any bulky items, trash, old appliances/furniture and any other accumulated trash or unwanted items.

Solvent or hazardous material (batteries, paint, large car parts, motor, tires, oil, anti-freeze, concrete, household chemicals and similar items) WILL NOT BE ALLOWED. Items must be of reasonable size and environmentally safe in order to be disposed of properly.

If you have a large vehicle that can be used for hauling, think of organizing a group to help your neighbors (especially the elderly.)

We will also have a run-off dumpster for recyclables only. We will accept the same type items you put out with your weekly recyclables – plastic, paper, cardboard, aluminum, phone books, and similar items. Recyclable items must be separate from the other items you are discarding.

Join us on the same day for our “CAN” Do for Hunger Campaign!

Clean out your pantry and bring non-perishable food items to be donated to our local food banks and given to community members in need. We are asking all participants to bring canned or non-perishable goods to support the 2015 “CAN” Do for Hunger Campaign. Donations will be accepted at each clean-up/recycling location.
